# STAY SAFE ONLINE!

CENTRE FOR SUSTAINABLE DEVELOPMENT COR BIHAC

*Aida Ramić, executive director  
Ajna Jodanović, consultant  
november, 2025.*

# HOW SAFE DO YOU FEEL ONLINE?

- The internet is considered a very unsafe place for high school students in Bosnia and Herzegovina.
- Over 50% of surveyed children in BiH have experienced unpleasant or harmful situations online.

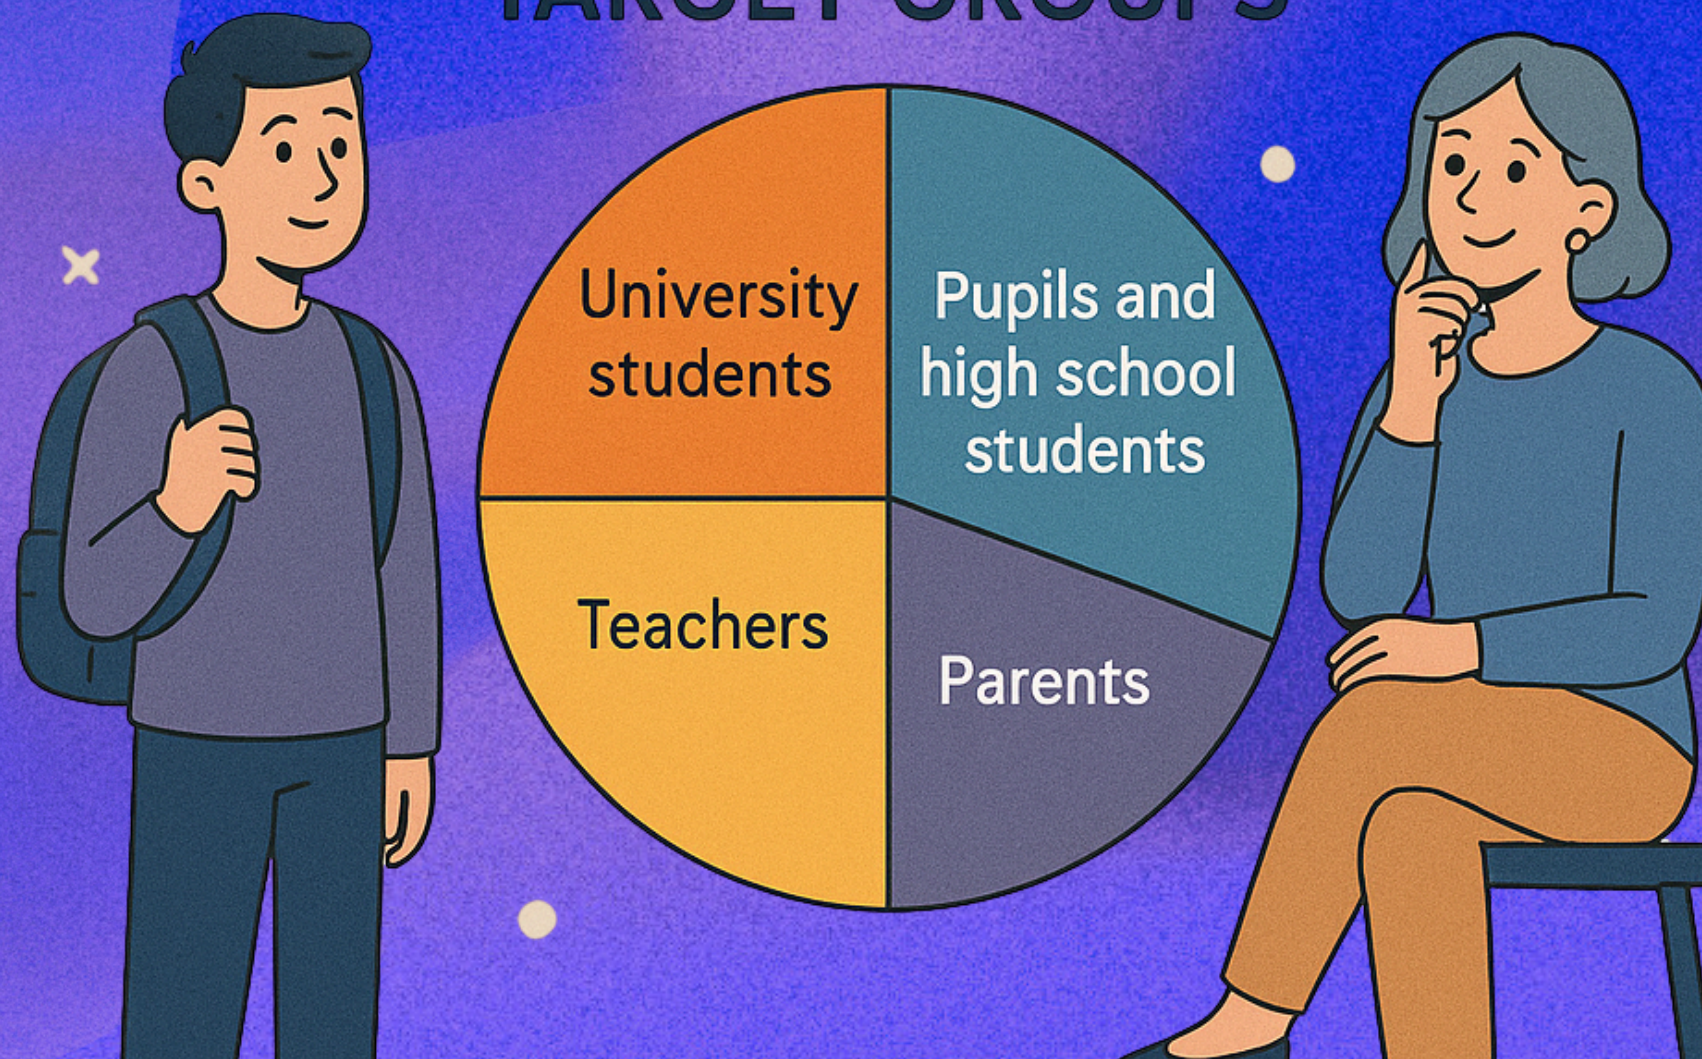

# Why it matters?

## OUR MISSION

- we provide non-formal education and empower youth.
- through the EGA project, we strive to create a safer online environment for the following

## TARGET GROUPS

# Social Media Campaign

- raising awareness through social media – over 20.000 people reached

# Facebook Instagram

Centar za održivi razvoj COR BiH je na lokaciji  
JU OŠ "Harmani 2" Bihać.

24. lip • 🌐

Danas su nastavnici JU OŠ "Harmani II" učestvovali na radionici o cybersigurnosti s ciljem jačanja [#digitalne](#) pismenosti i zaštite u [#online](#) okruženju. 🌐

Govorili smo o tome kako prepoznati i spriječiti digitalne prijetnje, zaštititi lične podatke te sigurno koristiti internet u nastavi i svakodnevnom životu. 🛡️ ❓

Zajedno gradimo sigurnije digitalno okruženje za naše učenike i škole. 🤝 ✨

Radionice su dio KnowCyber grantova, koje implementira e-Governance Academy, a finansira Evropska unija.

Centar za održivi razvoj COR BiH je na lokaciji  
JU Gimnazija "Bihać".

20. svi • 🌐

💡 Danas smo održali radionice o jednoj od najvažnijih tema današnjice – cybersigurnosti za učenike JU Gimnazija "Bihać". Cilj radionice bio je upoznati učesnike s osnovama cyber sigurnosti i pravnom zaštitom, razviti kritičko mišljenje o rizicima i obavezama u digitalnom prostoru, informisati o zakonima koji štite maloljetnike od zloupotrebe na internetu i ojačati suradnju između učenika i nastavnika u borbi protiv digitalnih prijetnji. 🇭🇪

❓ Centar za održivi razvoj COR Bihać nastoji odgovoriti na izazove i probleme s kojima se mladi suočavaju, kako u realnom, tako i u virtualnom svijetu. Stoga, naglašavamo da je *sigurnost na internetu naše pravo a ne privilegija*.

🌐 Učesnike su kroz trening vodile prof. dr. sc. Ajna Jodanović i prof. Edina Karadžić, a koje su, svojim izlaganjem, obuhvatile pravne i informatičke aspekte sigurnog ponašanja na internetu. [#StaySafeOnline](#)

✅ Zahvaljujemo se učenicima na aktivnom učešću!

Radionice su dio KnowCyber grantova, koje implementira e-Governance Academy, a finansira Evropska unija.

# Strengthening Partnerships for Safer Education

---

- We gained direct access to educational institutions, enabling the project team to work closely with schools, students, and teachers.
- We built strong trust among key stakeholders — schools, governing bodies, parents, and NGOs — through transparent and collaborative engagement.

# Implemented Activities – University Students

- over 50 participants
- 3-workshops training
- practical tips for digital safety

# A Modern Curriculum for a Safer Digital Generation

---

- Offers age-appropriate digital safety education for pupils, students, teachers, and parents.
- Connects technology with legal basics in a clear and practical way.
- Easily adaptable to different schools, communities, and contexts.
- Encourages safe, responsible, and mindful online behavior.
